ACADEMIC AFFAIRS UPDATES:

College Updates:

Panuska College of Professional Studies:

We have been notified that CAPTE has continued the Physical Therapy Department's accreditation until 2017.

COMMITTEE UPDATES:

- **Faculty Handbook Committee:**

The Faculty Handbook Committee has formed a sub-committee on Interdisciplinary Departments and Programs and a sub-committee to review Handbook language on Graduate and Ph.D. Programs.

The committee is working to clarify the language in 5.5, C., Normal Teaching Load as it relates to the number of preparations in a semester and number of new courses faculty can be required to teach.

Addition to 5.7: Overload Teaching

For programmatic reasons, faculty teaching in certain online programs with regular semesters (Online MBA and Online HR) may be permitted to carry no more than nine credits over the normal load in any academic year. However, the total overload credits being taught at any point in time during a regular semester is limited to three.

13.3 Family and Medical Leave

Current Language:

A faculty member who chooses to take unpaid leave under the Family and Medical Leave Act (FMLA) must notify the department chair. After consultation with the faculty member, the chair will

recommend to the Dean a plan for covering vacated responsibilities. Ordinarily, under FMLA leave, during the equivalent of two weeks of regular semester class meetings, department members are called upon to cover the classes with no additional compensation. Beginning with the third week of coverage within a semester by a particular faculty member, he or she will be compensated on the basis of a pro-rated overload. In exigent circumstances (for example, when no department member is able or available to cover a particular course), the Dean, in consultation with the Provost/VPAA, may elect to hire an adjunct faculty member to cover any or all of the vacated responsibilities, until such time as the faculty member returns from FMLA leave.

Proposed revision (addition in bold):

A faculty member who cannot fulfill teaching responsibilities on a short-term basis (the

In all questions which come before the Board on Rank and Tenure, the faculty member's home Dean shall

shall follow procedures analogous to those that have been established for all faculty, i.e., there shall be a committee which includes representatives of the tenured Library faculty which shall review all candidates for appointment as librarians and make advisory recommendations to the Dean of the Library and Information Fluency for consideration and review by the Provost/VPAA.
