2 In the event PNC determines that there has been fraudulent or excessive ATM usage on the account, PNC is not obligated to reimburse any related surcharge fees, and any related reimbursements must be repaid. Surcharge fees not identified within the transaction by the originating financial institution may not be reimbursed. For Virtual Wallet with Performance Spend, the first \$10.00 of other financial institutions' ATM surcharge fees made on your Spend, Reserve or Growth accounts during the statement period will be reimbursed to your Spend account. Fees in excess of \$10.00 per statement period will not be reimbursed. Any fee reimbursements occur at the end of the statement period.

3 A qualifying Direct Deposit is defined as a recurring Direct Deposit of a paycheck, pension, Social Security or other regular monthly income electronically deposited by an employer or an outside agency into the Spend account of a Virtual Wallet with Performance Spend or into a Performance checking account. Credit card cash advance transfers, transfers from one account to another or deposits made at a branch or ATM do not qualify as qualifying Direct Deposits.

4 PNC deposit accounts eligible to be linked may include consumer checking, savings, money market, certificates of deposit and retirement certificates of deposit. Some accounts may not be eligible to be included in the combined average monthly balance requirement based on titling structure, product type or other constraints. For Virtual Wallet with Performance Spend, a maximum of ten (10) linked PNC accounts, including your Spend, Reserve and Growth accounts, may be included in the combined average monthly balance relationship. See the PNC Virtual Wallet Fine Print: "What You Need to Know," "Interest Payment and Balance Computation" section for details. For Performance Checking, a maximum of ten (10) linked PNC accounts, including this account, may be included in the combined average monthly balance relationship. See our Account Agreement for Personal Checking, Savings and Money Market Accounts, "Interest Payment and Balance Computation" section for details. We will determine the combined average monthly balance using the most current statement period balance on linked deposit accounts as of the day before this account cycles.

5 We will only link accounts at your direction. If you have not directed PNC to link another account to your Virtual Wallet with Performance Spend or Performance Spend account, the accounts will not be linked and you will not receive a Relationship Rate, applicable waivers of monthly service charges or other relationship benefits on your unlinked PNC accounts. The requirement that you direct us to link accounts in order for you to receive benefits applies to all of your PNC accounts.
